\* Saturdays excluded

Service will be operated with very comfortable, 31-seat, *Fairchild Dornier 328 jets*. This aircraft is equipped with state-of-the-art technology and is defined by many passengers as the “*Rolls Royce*” of aircraft. It is particularly suited for operations in high altitudes such in the mountains surrounding the Valle d’Aosta region but is also able to reach International airports at the same speed as larger passenger aircraft.

The fare package has been designed to meet the varied needs of Air Vallée customers and, for the launch of this new route, the promotional fare is €99.00 one way (airport and additional fees excluded).

*“We are extremely confident that, by virtue of the socio-economic characteristics inherent in the Naples catchment area, this new route will generate the interest of passengers declared Sandro Melis – Air Vallée Sales Manager for Central and Southern Italy. In terms of flight times and frequencies, the new Naples-Turin route has been specifically designed to satisfy the needs of both business and leisure passengers “.*
