

PRESS RELEASE

Introducing new direct, Naples Barcelona service, operated by **clickair**, the new Spanish airline, with rates starting as low as 20€

Barcelona/Naples 2 May 2007 –**clickair** - the new Spanish airline- will inaugurate new direct service between **Barcelona** and **Naples** five days a week from the beginning of May until the end of October¹.

Flight times:	Departure	Arrival
Naples - Barcelona	13:25	15:20
Barcelona - Naples	10:20	12:15

¹ Round trip flights operate everyday of the week except Tuesday and Saturday

Clickair, Europe's newest airline, has developed a strategy of offering passengers the opportunity to "fly smart": the new flight between the two cities offers rates as low as 20€ one-way all taxes included.

Clickair's rates are even more competitive in light of the fact that, thanks to the **low cost** airline's extensive network, passengers are offered a large selection of destinations with high quality services.

The route between **Barcelona and Palermo**, with twice-weekly flights, was also inaugurated by **clickair** on 1 May and in April the airline begin service to Pisa and Verona.

As of 1 June and 1 July, respectively, daily direct service will begin between **Barcelona and Rome-Fiumicino and Venice**. Currently **clickair** operates direct service between **Valencia**, site of the America's Cup, and **Rome** as well as **Milan-Malpensa**.

*" We are pleased to add these two new flights to our list of Italian destinations" declared **clickair's** CEO, Alex Cruz. "Our two countries have special ties and we are proud to offer all passengers, be they businessmen, tourists or students, a product suited to their needs which will allow them to cross the Mediterranean in either direction and allow these two cities to become even closer".*

Clickair info: **Clickair** began operations in October of 2006 with three 180-seat, Airbus A-320 jets. The fleet has since expanded and now includes 14 Airbus A-320s and will count a total of 23 by year's end. In 2008, the airline plans to operate 70 routes with 56 destinations in Spain, the British Isles, Europe and North Africa, transporting almost 10 million passengers. La compagnia è di proprietà per il 20% rispettivamente di: Iberia aereolinea spagnola e di 4 gruppi industriali e finanziari spagnoli molto conosciuti: Quercus Equity, Nefinsa, Iberostar and Cobra. Shareholders, each with a quota of 20%, are Iberia and four well known Spanish industrial and financial groups: Quercus Equity, Nefinsa, Iberostar and Cobra.
