

PRESS RELEASE

NEW AIR ONE NAPLES-BOLOGNA FLIGHTS

As of 1 July, 2006, Air One will provide daily service between Naples and Bologna.

Flight	From	To	Departure	Arrival
AP4402	Naples	Bologna	15.45	16.45
AP4403	Bologna	Naples	17.40	18.40

As of 18 September, the number of flights between Naples and Bologna will double thereby offering greater travel opportunities in the early morning hours with the possibility of making a round trip in the same day. .

The new Naples-Bologna-Naples flights are the most recent additions to Air One's extensive national network in departure from Naples: for Genoa (with two daily flights), for Milan-Linate (with four daily flights), for Trieste (with one daily flight), for Turin (with three daily flights). Furthermore, there are also the international connections for Athens operated by Air One and those for Munich operated by Lufthansa in code-share with Air One.

Connections for Bologna are operated Air One with aircraft from the new Air One CityLiner fleet comprised of six, 90-seat, Bombardier CRJ900s.

"New service to and from Bologna confirms the interest of Air One for the Naples airport and further contributes to the economic development and growth of tourism of the Campania capital. Air One has demonstrated its involvement in the city of Naples by creating a capillary network towards some of the main Italian and foreign destinations. The airline intends to further enhance the network of flights departing from Naples by planning new domestic routes starting in October," **declared Giorgio De Roni, Air One Planning, Network, Marketing and Business Development**

Vittorio Mazza – Business Administration of Gesac Spa, the Naples airport management company: *"Through a significant network of connections, Air One has invested a great deal in the potential of the Naples airport. The new flight for Bologna represents yet another piece in the mosaic of connections to Northern Italy, an area is of the utmost importance for our entire region both in terms of business and leisure traffic. The Naples airport is working intensely not only on the international connections front, which this year has reached quota 28 destinations, but also on expanding its domestic network".*

"We're very satisfied with the resumption of service to Bologna which represents a strategic connection not only for Naples but the entire region as well. Thus the network of connections offered by the Capodichino airport is further enhanced and the airport

continues to prove itself to be an important link for the economic development and the growth of tourism in the Campania Region” stated Ennio Cascetta – Campania Regional Councilman for Transportation.
